What You Need to Know When Ordering

The Go-Go ES2 comes with FREE 1-Year In-Home Service. If you experience a problem with your scooter during the first twelve months, simply call A&J Mobility to arrange for a technician to come to your home for diagnosis and repair. You may also choose to extend this service for up to three years for an additional charge.

Required assembly upon delivery may include attaching the seat (and any accessories) and charging the batteries for 8-12 hours prior to use.

Although the scooter is easy to assemble and disassemble, it will arrive in a single heavy box.

For users who require extra assistance in unpacking and setting up their scooter a White Glove Delivery Service is available. With this option, your scooter is brought into your home, set up, tested and all packaging material is removed.
